

MG Vehicle Warranty Information

Warranty Period

Commences on the day the vehicle is first registered or the date of sale to its first owner (whichever is sooner) and is irrespective of change of ownership. The vehicle is covered for a period of 3 years or up to a total of 60,000 miles.

Warranty Cover

Guarantees repair, replacement or adjustment, free of charge, by an authorised repairer, of any part which fails during the warranty period, as a result of a manufacturing or material defect.

Guarantees paintwork repairs to defects such as blistering, peeling, cracking, discolouration or staining of the visible painted surface of the vehicle body panels occurring as a result of manufacturing or materials defect.

Guarantees all 'wear and tear' items (excluding tyres) that are subject to failure (as a result of manufacturing or material defect) during the first 12 months of the Warranty Period or prior to the first scheduled chargeable main service (whichever is sooner).

Guarantees any parts replaced under the terms of the warranty for the balance of the warranty period.

NOTE the tyre manufacturer covers tyres separately.

Warranty Conditions

- All claims are notified to, and carried out by, an authorised MG repairer during the Warranty Period.

- Warranty paint rectification must be carried out by an authorised MG paint shop.

- All repairs, damage rectification or fitting of replacement parts and accessories are carried out by an authorised MG repairer and in accordance with MG instructions

- The vehicle has not been altered from the original specification, where said alterations may be found to be the cause of any subsequent component failure.

- The body panels are inspected annually throughout the warranty period by an authorised MG repairer, and any rectification work found necessary is carried out in accordance with MG's recommendations.

MG Vehicle Warranty Information

- Each main service is carried out within 2000 miles/ 3200 kilometres or 28 days of the recommended mileage interval or service anniversary date as shown on the Service Interval Plan (within the customer handbook) and that the appropriate Service Record page is stamped and endorsed by the servicing agent. Whilst the Warranty will not be invalidated if a non-authorized MG repairer carries out this work, Warranty faults resulting from work carried out by a non-authorized repairer may not be covered under the MG warranty.

- MG approved parts are used for repairs effected under warranty, except as an emergency repair, which must be made good within 14 days, using components approved by MG. The MG authorized repairer reserves the right to reject any claim where it is felt that the cause of defect is due to the use of a non-approved part.

- The vehicle is not used to rallying, racing or competition purposes of any kind.

- The vehicle is not subjected to any load heavier than the maximum recommended by the manufacturer.

- The vehicle is not subject to any modifications that are not recommended by MG, except as an emergency repair, which must be made good within 14 days according to MG's recommendations.

NOTE the owner's protection under the terms of the MG Warranty does not affect their statutory rights in law.
